

QUALITY POLICY

REDA S.p.a. offers to its customers process solutions and services based on Innovation, Efficiency and Quality.

The principles which lead REDA S.p.a. in its activity, according to its purposes and relative strategic guidelines, are as follows:

- SATISFACTION OF CUSTOMER'S REQUIREMENTS AND EXPECTATIONS.
- ACCURACY IN THE PRODUCTION, WITH A WORK PROCESS CONSTANTLY UNDER CONTROL TO SATISFY THE APPLICABLE REQUIREMENTS.
- CONTINUOUS IMPROVEMENT OF THE RELIABILITY OF ITS PRODUCTS AND THE QUALITY MANAGEMENT SYSTEM WITH A RISK BASED THINKING PURPOSE.

Quality Policy provides a framework for setting quality objectives.

All REDA's collaborators and partners must feel committed to pursuing the objectives, to reduce waste and inefficiencies and to prevent errors.
